

EVERYTHING IS MADE AFTER ITS KIND

The purpose of this lesson is to get the human race to think differently about WHO and WHAT they really are. In Nature, species mate with their own kind. Birds cannot produce a cat, nor can fish produce a bear. Everything produces After Its own Kind. When it comes to Man, we should stop and ask ourselves, who or what are we fashioned from? What "Kind" our We? When I look around at Nature, at the Earth, at the Universe, at Us as Human Beings, at Humanity itself, it is so intricate and amazing and beautiful. I cannot help but think the world, the Universe, Human Beings – that it is ALL Divinely made. There is a beautiful symmetry to Everything that denotes intelligence in its creation. Einstein said it best, "There are only two ways to live your life. One is as though nothing is a miracle, the other is as though everything is a miracle." We believe, Vandy and I, that we ARE fashioned after Our Kind. We our spiritual beings, energetically composed, housed in a physical body, Divinely-created. I love this quote by Tony Robbins, "We are not human beings having a spiritual journey, we are spiritual beings having a human journey." We were created After the Divine Kind! It is this knowledge that humanity is bereft of. He has no idea WHO or WHAT he truly is. As a result, the majority of humanity spends his time wandering the Earth, trying to figure out, "Why are we here?" "What is my Purpose for Being?"

Purpose gives our lives direction. Purpose can only be figured out as we DISCOVER Who we really are. That discovery begins when we KNOW the Truth about where we PROCEED from, not geographically, but creatively. Where does Man proceed from? In one of the oldest spiritual books on the planet (The Bible), it says, "In the beginning Yahweh created the beast of the field (cattle, bears, lions, etc) after THEIR KIND. Fish of the sea AFTER THEIR KIND. Birds of the air AFTER THEIR KIND. But when he gets to Man, The Creator says, "Let Us make man in Our Image and After Our Likeness." Scriptures also say We proceed from an Infinite Source of Intelligence. A Being we really have no words to describe.

The next question most people have is this: "Who is this Infinite Being and where does this Being proceed from?" That is a fair question. We humans find it hard to believe in something we can't see or measure. The Truth of the matter is, that the most powerful forces on the earth are invisible to the naked eye. We can't SEE the wind but we know that it exists. How? By its effects. We can see the effects or results of what the wind can produce. The same thing applies where electricity is concerned. Electricity can give us great inventions or it can destroy us, but we cannot see it with our natural eye.

When we CONSIDER what Man is, we can see his or her body, but we cannot see the Real Man or as the scriptures call him, "The Hidden Man of the Heart." Man's True identity is HIDDEN from plain view. We can see his actions thru the medium of his body, but we can't see his thoughts or his motives behind his actions. So the question still remains, "Where is this Divine Being and Where is The Real Human Being?" I will submit to you that They are One!!! Wherever the man or woman is, the Infinite Being/The Divine/God/ the Infinite Intelligence is. They cannot be separated. Man PROCEEDS from a Being we cannot see with the naked eye. Man's body is his Earth suit, not his True Being. I'll give you an example. When a human being goes in for a heart transplant, where is the man when the heart is being removed and replaced? One organ being removed from a body and being placed into another body. Obviously, Man is not his heart. Is the Real Man asleep during this process or is he detached from his body? When he awakens, he has someone else's heart in his body. The Real Man doesn't even remember what happened. Once again, we can see man's body but we can't see the Real Man. His Substance is Hidden from plain view. Logically, we can deduce that since man's true substance is invisible and that this Infinite Beings substance is invisible, they are both made up of the SAME stuff. Man and Woman, they should be the exact representation of this Infinite Beings Person! According to scripture, "God is Love and they who dwell in Love dwell in God" (1John 3).
